Like new grade instruments offer slightly lower monthly payments. 100% of your monthly payments apply toward purchase of the instrument you're renting. We offer a 20% early payoff or cash price discount. All prices before tax. With our band instrument program, you will be renting using a consumer rent to own agreement with no obligation to buy. Monthly payments after the initial starter period are the same and vary between $30-$63 per month for no more than 36 months. All payments must be made prior to acquiring ownership of the instrument.

**M&R is Maintenance and Replacement coverage. With this teacher recommended coverage, we cover all routine instrument maintenance, replacement coverage should the instrument be stolen or irreparable, and loaner instruments while your instrument is in our service department.
